## CERTIFIED BACKFLOW ASSEMBLY TESTERS 2009

The following is a list of companies offering backflow testing services. These companies have asked to appear on the list compiled by Firgrove Mutual Water Company. Firgrove is not recommending or guaranteeing any of these companies. The customer is responsible for choosing a certified tester and may use any company with a current BAT certification. It is up to the customer to obtain pricing information and to have an agreement on services to be performed.
